

Helping Students In Need Has Never Been Easier!

Direct Your PA State Tax Dollars to the South Hills Catholic Academy SAINTS ALIVE Scholarship Program

Did You Know?

The Educational Improvement Tax Credit (EITC) program provides PA residents the opportunity to direct their state income taxes to a school that shares their personal values. You can turn your tax dollars into scholarships.

At South Hills Catholic Academy tuition is based on a family's income and all of our students receive some sort of financial assistance. The EITC program is a major source of funding to help cover the cost of education. This year we have over 200 students who qualify to receive EITC funds. With your help, we can assist those students seeking a Catholic education.

South Hills Catholic Academy provides much more than an excellent Catholic classical education. It provides a home for those who are looking for a school culture that aligns with their family's values.
